

# CAREER INSTITUTE

Specializing in Career, Education and Life Planning

## Planning to be a Millionaire? This is the training for YOU!

Learn how to live debt free, be financially savvy, avoid money scams, deal with lenders and debt collectors and achieve your dreams without letting financial burdens stand in your way!

*Start keeping more of what you earn! Learn to spend on what really matters.*

Attend this 12 hour course and embark on a financial journey that will lead you on the pathway of financial discipline and security. You will:

- Differentiate between needs, wants and desires
- Hone your consumer skills
- Understand the importance of credit, credit reports and FICO Scores
- Construct a personal budget that will help you achieve your goals and dreams

*Contact the Career Institute for course start dates and times. Class sizes are limited.*
